

BUSINESS AMBASSADOR SCHEME deafPLUS

The workshops provided by deafPLUS were enlightening and incredibly valuable. It not only increased our team's understanding of the challenges faced by deaf individuals but also equipped us with practical skills to improve communication and inclusivity in our workplace.

OUR MISSION

Our mission is to empower deaf people to take control of their own lives, by developing their potential and supporting them to achieve independence.

Our vision is an accessible world for deaf people, with barriers to participation and opportunity removed.

We depend on your support to help us build an inclusive world for deaf people.

BUSINESS AMBASSADOR SCHEME

deafPLUS

Have you ever wondered how you can support deaf people? It could be someone in your workplaces, or someone you're in regular contact with.

I'm sure you'll value our contribution, as 97% of our staff are deaf, so we can say, we ARE the experts.

We want to tell you about how to empower deaf people and support them to achieve independence. As Martin Luther King said, "I have a dream where ..." we develop an inclusive world for deaf people. Join us.

'In all my years of training at the central Government's office, Reg's workshop is the best I've ever attended'
